Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.

Diagnostic List HYUNDAI_v10.50

Remark:
1. √ : means that the system has this function
2. – : means that the system does not have this function
3.compared with the last version, the new added function is marked in red color.
